

Surrendering a Dog to Reborn Rescue

At Reborn Rescue, we specialize in small dogs, 30 lbs and under. Unfortunately, we are not equipped to house larger breeds. If you need to surrender a larger dog, please refer to our partners list below for alternative resources.

Reborn Rescue accepts surrenders on a case-by-case basis. If you need to surrender a dog, please contact us to make proper intake arrangements. Abandoning or dumping dogs on our property is not only unsafe for the animals but also unacceptable. Every surrender must go through the proper process to ensure the best outcome for the dog.

We understand that surrendering a pet is a difficult decision, and we are here to help. Please reach out to discuss your situation and determine the best path forward for your pet.
