

Reborn Rescue is proud to celebrate our 1-year anniversary of rescuing, rehabilitating, and advocating for animals in need. Over the past year, we have had the privilege of helping just over 100 dogs find safety, care, and loving homes.

To celebrate this milestone, we're launching our first annual Reborn Rescue Coloring Book Fundraiser, featuring illustrations of dogs rescued during our first year. The artwork was created by Courtney Gagnon, Supervisor at Reborn Rescue. This yearly tradition will showcase new rescues each year, highlighting the impact of our community's support.

Our goal is to print 500 coloring books, which will be sold for \$10 each, with proceeds directly supporting rescue operations, veterinary care, food, supplies, transportation, and other essential needs for the dogs in our care.

We are seeking support from businesses, organizations, and individuals who would like to be part of this meaningful project.

For a sponsorship of \$50, you will receive:

A 1.5" x 1.5" featured advertisement or recognition space on the back of the coloring book. Exposure to community members, supporters, families, and animal lovers who purchase and share the book. Facebook announcement of all of our sponsors and website mention.
